1030172	Jordan	TOTAL STATION W/ACCESSORIES	319286	EUR	Pending	
930006	UAE	TRIETHYLENE GLYCOL	606000	EUR	On Hold	WMD dual-use item: concern related to S/1995/208, Page 38, Paragraph 2.2.4.5.4.1 - Triethylene glycol (item #1) (precursor to TEGDN).
930034	Russian FeS	MAINTENANCE AND REPAIR OF GAS TURBINE	2014908	EUR	On Hold	Technical information requested was not provided. Please provide previously requested information on nozzle performance specifications to include number of fluids processed, cross-sectional drawing and droplet size (items #3-1 and #3-2).
930043	UAE	TOOLS	4070513	EUR	On Hold	Provide specifications for all filters including pore size, maximum efficiency, flow rate, material composition, maximum pressure, and dimensions (cement transport components: item #2 - P/N 1005593, 1006374, 1006844, 1006847, IS39585, and FA63600; item #3

930057	Brazil	SEMI-TRAILER W/ SPARE PARTS AND ACCESSORIES	318669	EUR	On Hold	Goods are WMD dual-use item: concern related to S/1995/208, Page 45, Paragraph 2.6.2 - Lowbed heavy lift semi-trailers (item #1). (Lowbed trailers, 70 T (3 units) and platform trailers, 50 T (6 units) for maintenance work, Brazil, Randon SA Impl E Sistemas
930073	Belgium	SOLAR GAS TURBINE	905689	EUR	On Hold	US: Provide specs for the compressors for which these spare parts are destined including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, drawings and manufacturer's data sh
930076	Lebanon	CARGO DOUBLE CABS W/ CRANE & DIESEL ENGINE	924000	EUR	On Hold	Trucks are acceptable. Concern is related to some spare parts. Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, and cross-secti
930078	Lebanon	CARGO TRUCKS W/ SPARES AND ACCESSORIES	2344980	EUR	On Hold	Trucks are acceptable. Concern is related to some spare parts. Provide technical specifications for air dryer assembly including dimensions, material composition, and drawings (item #2). Provide specifications for all filters including pore size, maximum
930079	UAE	MATERIALS & EQUIPMENT FOR WORKSHOPS	818354	EUR	On Hold	1051 items: S/2001/560, Page 36, paragraph 5.2 - accelerometers with a threshold of less than 0.5g (items #17, accessories with ViSTeC collector I spare parts with ViSTeC collector, and #19); Provide specification for the computer or microprocessor includi

930081	UAE	WELDING MACHINE /PARTS	87532	EUR	On Hold	Provide specifications for the welders including manufacturer's data sheets, type (e.g. DC arc, TIG, MIG, etc), and technical specifications and drawings for any provisions or options for providing gas to the welding head (items #1 and #2)
930082	UAE	MEASURING & TESTING EQUIPMENTS	409628	EUR	On Hold	US: Provide specifications for the time domain reflectometer including manufacturer's data sheets, pulse width, output power, rise time into loads less than 40 ohms resistant, dimensions, weight and thermal operating range (item #31); Provide specificati
930086	Turkey	ELECTRICAL EQUIPMENT & ACCESSORIES	1197000	EUR	On Hold	Provide information concerning the aluminum bars to include purity, bar dimensions and intended end use (item #11). Provide technical information and operating instructions on the test equipment.
930095	Tunisia	MATERIALS FOR UTILIZATION OF GAS FIELDS	51590000	EUR	On Hold	Goods are WMD dual-use item: concern related to S/2001/560, Page 32, Paragraph 2.5.1 -servo valves (item #196, #197, #228, and #282).Provide specs for all valves including dimensions, weight, type, material composition for all components and linings, flow
930096	Cyprus	ENVIRONMENTAL POLLUTION MEASURING EQUIPMENT	473466	EUR	On Hold	provide technical specifications for Komara 20 system including function, dimensions, means of operation, material composition of major components, and drawings (item #6). provide technical specifications for spark arrestor assembly including function, di

930099	Belgium	AIR COMPRESSORS/ SPARE PARTS	451962	EUR	On Hold	Provide specifications for all compressors including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, refrigerant used, rotation speed and cross-sectional drawings (items #1 and #2); Provide
930101	Jordan	VIBRATION MONITOR	439134	EUR	On Hold	US: Please provide previously requested specifications for 4-channel proximeter monitors including manufacturer's data sheets, principle of operation, accuracy, linearity, threshold values, and drawings/photographs (items #6, #15, and #26).
930114	Lebanon	ROUTINE THEODOLITE	229725	EUR	On Hold	Provide specifications for the theodolite including manufacturer's data sheets, leveling accuracy, operation of leveling system, azimuth and elevation accuracy and resolutions (in degrees-minutes-seconds of arc).
930116	China	WELDING ELECTRODES	51642.08	EUR	On Hold	US: Provide the metallurgical specs for the electrodes.
930123	Lebanon	THEODOLITE INSTRUMENT	113455	EUR	On Hold	US: Please provide specifications for the theodolite including manufacturer's data sheets, leveling accuracy, operation of leveling system, azimuth and elevation accuracy and resolutions (in degrees-minutes-seconds of arc) (item #1). Please provide specifi
930126	China	HORIZONTAL BORING & MILLINGS MACHINE W/SPARE S	440000	EUR	On Hold	Provide technical specifications for the horizontal milling machine to include number of contouring axes, positioning accuracies, manufacturer's data sheet, photographs, drawings, and maximum and minimum dimensions for work-piece (item #1); Is the milling

930127	Russian Fe	CASING & TUBING	3345240	EUR	On Hold	Provide the material composition for the steel pipe (items #1 and #2); Provide all requests for alloy material composition as both an ASTM or DIN standard alloy and as a percentage composition by weight for each alloy component.
930147	Egypt	TELEPHO NE EQUIPME NT AND PARTS	100216.6	EUR	On Hold	Please specify how much fiber optic cabling the Comm contains. Please itemize and provide specifications for the "equipment" listed (items #3 and #4).
930150	Jordan	HYDRAUL IC TRUCK CRANE W/ SPARE PARTS	1613300	EUR	On Hold	Provide previously requested specifications for the cranes including drawings and photographs in both travel and operational modes and manufacturer's data sheets or brochures (item #1).
930151	Jordan	SPARES FOR EXISTING INSTRUM ENTS	232160.5	EUR	On Hold	US: Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #7.2, #7.3, #14.1, #15
930152	Jordan	MATERIA LS,EQUIP MENT & SPARE PARTS FOR MANTEN ANCE A	938691.5	EUR	On Hold	Provide specifications for velocity transducers including dimensions, threshold linear error, and full-scale output (items #A6, #A7 and #B6 through #B9). Provide specifications for the accelerometers contained in the velocity transducers including cross-s
930160	Jordan	CONTINU ATION OF THE REVAMPI NG AND UPGRADI NG OF CON	777143	EUR	On Hold	1051 items: S/2001/560, Page 36, Paragraph 32 - UF6-resistant pressure monitoring instrumentation; Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure

930161	Jordan	MATERIALS, EQUIPMENT & SPARE PARTS FOR MAINTENANCE A	358057.8	EUR	On Hold	Provide previously requested technical specifications for differential pressure transmitters to include material composition, pressure range and accuracy (items #1, #2, #3, #4 and #5). Provide previously requested specifications for bellows assembly inclu
930163	India	INSTRUMENTS AND CONTROL EQUIPMENT FOR ITP STATIONS	267619	EUR	On Hold	Please provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (item #6a through #6d).
930164	India	WORKSHOP EQUIPMENT AND HANDTOOLS	411422	EUR	On Hold	provide previously requested specifications for all air compressors and pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #1
930174	UAE	CASING & TUBING	9292335	EUR	On Hold	Provide specifications for all tubing and casing including dimensions, drawings and the material composition (please explain material composition designators: L80, C95 and P110); Provide all requested alloy material compositions as both an ASTM or DIN st
930175	UAE	VALVES	989471.1	EUR	On Hold	Pending further technical review.
930180	Belgium	MAINTENANCE TOOLS	21491.86	EUR	On Hold	Provide previously requested specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and cross-sectional drawing

930182	India	STUDY TO IMPLEME NT RELIABLI TY	728750	EUR	On Hold	US: 1051 list item: S/2001/560, Page 25, Paragraph 8.3 - aerosol particle sizing equipment (item #A). Provide purpose and end-use for the portable infrared detector and infrared camera with associated software for image analysis (item #B). Provide previous
930224	France	SPARE PARTS	310847.5	EUR	On Hold	US: Please provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (item #24). Please provide function,
930229	China	VALVES	780302.8	EUR	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat and please provide specifications for valves including dimensions, weight, material composition for all components and linings, flow rate, minimum internal diameter, maximum pressure, actua
930234	Jordan	SPARE PARTS	1546848	EUR	On Hold	Please provide detailed technical specifications for the P .D. Smith Meter requested.
930238	Jordan	INSTRUM ENTS	13592700	JPY	On Hold	Please provide specifications for all filters including pore size, maximum efficiency at 0.3 micron, flow rate, material composition, maximum pressure, and dimensions (items #12 and #13); Please provide specifications for pilot lock valve including dime

930251	Jordan	MATERIALS, EQUIPMENT & SPARE PARTS FOR MAINTENANCE A	439483	EUR	On Hold	Provide specifications for solenoid valves including flow rate, and accessories, options and specials listed with option "AP" (items #19 and #61). Provide specifications for the pressure switches including accessories, options, and specials for listed wit
930260	UAE	VALVES FITTINGS AND ACCESSORIES	239745	EUR	On Hold	Provide specifications for valves including material composition for all components and linings; Provide all requests for alloy material composition as both an ASTM or DIN standard alloy and as a percentage composition by weight for each alloy component
930262	Spain	SPARE PARTS FOR PUMPS	428840	EUR	On Hold	US: Provide specifications for all pumps including material composition for all component and linings. Please provide all requests for alloy material composition as both an ASTM or DIN standard alloy and as a percentage composition by weight for each all
930264	Jordan	SPARE PARTS	708708	EUR	On Hold	provide specifications for all pumps, for which the spare parts are destined including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings. provide a
930270	Jordan	SPARES FOR EXISTING INSTRUMENTS	760789	EUR	On Hold	Provide material composition for the actual pressure transmitters to be shipped (items #1, #4, #7, #10, #13, #16, #19, #22, #25, #28, #30, #33, and #40). Provide specifications for all motherboards including processor type and manufacturer, maximum certif

930279	Denmark	SPARE PARTS FOR EXCAVATORS	185571.1	EUR	On Hold	Provide previously requested specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and cross-sectional drawing
930285	Lebanon	DIESEL GENERATORS	883663	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross sectional drawings (items # 20,21,24,30,51,55,84,90,99, 101). Please s
930286	Lebanon	DIESEL ENGINE DRIVEN WELDING MACHINES	172150	EUR	On Hold	Provide specifications for the welders including manufacturer's data sheets, type (e.g., DC arc, TIG, MIG, etc), and any provisions or options for providing gas to the welding head (item #1)
930293	China	FIELD SEISMIC ACTIVITIES	8898378	EUR	On Hold	US: Goods are WMD dual-use item: concern related to S/2001/560, Page 42, Paragraph 8.3.3 -Telemetry system. Provide specifications for analogue to digital converters including manufacturer's data sheets, certified thermal operating range, and number of b
930296	Jordan	INSTRUMENTS	240636	EUR	On Hold	Please provide the technical specifications for the nozzles to include material composition, number of fluids processed, flow rate, droplet size range, and cross-sectional drawings (items #17 and #18). Please provide all requests for alloy material com

930298	Jordan	HYDRAULIC CRANE W/ SPARES	1306972	EUR	On Hold	Provide previously requested specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #6, #10 and #30). Prov
930303	France	LABORATORY APPARATUS	181711.2	EUR	On Hold	WMD dual use items: concern related to S/2001/560, page 22, paragraph 3.1 -o2 meters (items # 1,18,33,96,100) and TDS meter (item #97). WMD dual use item: concern related to S/2001/560, page 23, paragraph 6.1- spectrophotometer/photometer (item #23). Pr
930308	France	VALVES	451621.3	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, and cross-sectional drawings (item #3-1). Provide specifications for all valve
930312	UAE	SOLENOID VALVES	53440	EUR	On Hold	Provide specifications for all valves including, flow rate, maximum pressure, minimum internal diameter, and actuator response time (items #1, and #3 through #7). Provide specifications for all valves including dimensions, weight, type, material composition
930313	Jordan	HYDRAULIC TRUCK CRANE W/ SPARE PARTS	2434063	EUR	On Hold	Provide additional specifications for all cranes including manufacturer's data sheets, dimensions, weights of major components (including boom) drawings, stabilization and leveling systems capabilities and set-up times, and photographs of the vehicle in t

930326	Jordan	CONTROL VALVES W/ SPARES FOR DEGASSING STATION	256544.8	EUR	On Hold	US: Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate maximum pressure, minimum internal diameter, actuator response time, and cross-sectional drawings (items #17 thro
930327	Jordan	SPARES FOR COMPRESSORS	991336	EUR	On Hold	Provide specifications the complete rotor assemblies and the compressors for which these rotors are destined including dimensions, weight, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, photographs,
930329	Jordan	CONTROL VALVES W/ SPARES FOR DEGASSING STATION	499963.7	EUR	On Hold	US: Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and cross-sectional drawings (items #1, #2
930331	Jordan	UNITS & SPARES FOR PNEUMATIC FIELD INSTRUMENTS	148410.9	EUR	On Hold	Pending further technical review.
930349	Japan	INSTRUMENTS AND SPARES	18198125	JPY	On Hold	Provide specifications for all pressure transmitters including manufacturer's data sheets, dimensions, weight, material composition of all wetted part, operational range, accuracy and photographs (items #2 and #4). Provide specifications for the flow comp

930351	Italy	CORROSION INHIBITOR AND OTHER CHEMICALS CONNECTING	137445	EUR	On Hold	US:Provide composition of corrosion inhibitor including identity of sulfamate, carboxylate and polyglycol backbones, and their approximate percent concentration by weight (item #1). Provide chemical composition using IUPAC - recognized nomenclature and a
930356	Republic of	ELECTRICAL MATERIAL AND EQUIPMENT FOR GENERAL MAIN	1132134	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #210, #212, #215, #288, #316
930357	Jordan	UNITS AND SPARES FOR CONTROL ROOM AND ALARM SYSTEM	113201	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #11 and #14). Provide all re
930364	Italy	CHEMICALS FOR COOLING TOWER & BOILERS & SERVICE WA	450000	EUR	On Hold	provide technical specifications for Nalco products including weight-percent amount, IUPAC nomenclature and CAS number for each component (items #1 through #5). provide mode of action for each product in its proper application (items #1 through #5). Pendi
930367	China	EQUIPMENT FOR ENGINEERING	50553124	EUR	On Hold	Provide specifications for all pumps and compressors including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items # 1 through #6, #15 through

930372	Oman	TRI-ETHYLEN GLYCOL	878625	EUR	On Hold	WMD dual-use item: concern related to S/2001/560, Page 35, Paragraph 3.4.4.1 - TEG (item # 1) is precursor to TEGDN.
930373	Germany	WATER PUMP WITH ELECTRIC MOTOR	428992.3	EUR	On Hold	Provide specifications for all pumps including weight, type, material composition for all components and linings and rotation speed (items #1 and #2). Provide all requests for alloy material composition as both an ASTM or DIN standard alloy and as a perce
930382	Italy	COMPLETION AND REHABILITATION OF DEOXYGENATION UN	4023800	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #30 and #181). Provide specifications for a
930393	Italy	HEATING/COOLING EQUIPMENT	202654	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and drawings (items #27, #31, #35, #39, and #43).
930394	Italy	OIL BLENDING PLANT WITH SPARES AND ACCESSORIES	2455000	EUR	On Hold	provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #22, #52, #82, #112, #143, #174, #206, #2

930395	Egypt	MAINTENANCE LIFTING CAR W/SPARE S	57628	EUR	On Hold	provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #6 and #18). provide specifications for all
930396	Egypt	FIRE FIGHTING TRUCK	392000	EUR	On Hold	provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (component item #1). provide specifications for al
930402	India	FIRE FIGHTING MATERIAL AND EQUIPMENT	427208	EUR	On Hold	provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (item #9 and components of items #4
930414	Belgium	PUMPS	2829332	EUR	On Hold	US: Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #1, #2, and #3). Provide material compo
930416	Belgium	FIRE FIGHTING SYSTEM & SAFETY EQUIPMENT	368650	EUR	On Hold	Provide specifications for all pumps and compressors including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #6, #8, and #9). Provide sp

930419	UAE	DEMULSIFIER	1276000	EUR	On Hold	provide technical specifications including identity and weight-percent of major components (item #1). provide all material compositions as both an IUPAC or standard commercial designation and as a percentage composition by weight for each component.
930422	UAE	PERSONNEL SAFETY EQUIPMENT	155672	EUR	On Hold	US: WMD dual use Items: concern related to S/2001/560, Page 19, Paragraph 10.4.8- Respirator with suit (item #3 and #4) S/2001/560, Page 22, Paragraph 2.6 Gas tight ventilated chemical protective suits. Provide an explanation of how a non-over pressure sui
930423	Romania	DRILLING RIG WITH ACCESSORIES	7687634	EUR	On Hold	US: Provide the specifications for the pipes and any linings to include material composition and dimensions (items #84, #168, #174-#176, #184-#189, #232 - #235, #237, #238, #463-#466, #488, #502, #503, #512, #525, #527, #530, #531, #559, #560, #575, #580-
930427	Lebanon	SPARE PARTS FOR PUMPS	399711	EUR	On Hold	provide specifications for all pumps for which the parts are intended including dimensions, weight, type, material composition for all components and linings and cross-sectional drawings. provide all requests for alloy material composition as both an ASTM
930430	UAE	TRUCK W/ ACCESSORIES AND SPARE	2140256	EUR	On Hold	Please provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter actuator response time, and drawings (items #16, #19, #210, #212,

930435	Jordan	PUMPS	140400	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, material composition for all components and linings, and cross sectional drawings (items #1, #2, #3 and #4). Provide all requested alloy material compositions as both an A5TM or DIN standa
930451	Republic of S	SPARES FOR CHILLER	449230.8	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #46 and #121). Provide speci
930463	Switzerland	TRACTOR UNIT	873840	EUR	On Hold	US : Please specify the material and chemical composition for the acid tank and lining (item #1). UK: Our experts have CW concerns with the 'semi-trailer for the transportation of hydrochloric acid' in this contract, we therefore cannot approve these unti
930466	France	LABORATORY EQUIPMENT	136591	EUR	On Hold	US: Item 23 (JT1005 jet fuel analyzer) is dual use (missile) per S/1995/208 page 39, para. 2.2.5.1.
930467	France	LABORATORY EQUIPMENT	124057	EUR	On Hold	Provide types of detectors to be supplied with GC-17 (components of item #1). Provide the length of all fiberoptic cables (item #1). Provide tech specs on molecular sieve split and carrier (item #16), deionization bags (item #19), desiccant cartridge (ite

930470	France	INSPECTI ON EQUIPME NT; LABRATO RY EQUIPME NT	518262	EUR	On Hold	US: Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure1 minimum internal diameter, actuator response time, and drawings (spare parts listing: item #3
930471	Lebanon	COLD STORE	36300	EUR	On Hold	Provide the temperature range and interior volume of the cold stores the equipment can support (item #1). Provide specifications for compressor including dimensions, weight, type, material composition for all components and linings, flow rate, refrigeran
930473	France	LABORAT ORY EQUIPME NT	684866	EUR	On Hold	WMD dual-use item: concern related to S/2001/560, Page 23, Paragraph 4.5 - cryostat (item #37); Please provide the temperature range and interior volume of the refrigerated bath, and the liquid volume can support (item #22). Please indicate if items #7 th
930474	UAE	TESTING APPARAT US	130008.6	EUR	On Hold	Provide technical specifications for flask dryer, viscosity bath, and fluid sampling kit including dimensions, operating temperature ranges, temperature precision and sensitivity, material composition of major components, manufacturer's data sheets, and d
930478	India	HEAT RESISTA NT CEMENT & REFACT ORY	68300	EUR	On Hold	US: Pending further technical review. UK: Pending technical experts consideration

930479	Malaysia	PROCESS CONTROLLER	734648.3	EUR	On Hold	Provide specifications for the control systems including manufacturer's data sheets, operational temperatures, environmental tolerances, computing and performance specifications, and control system architecture. Provide information about the type, materi
930488	Germany	SPARE PARTS FOR 11 KV DISTRIBUTION SWITCH GEAR	710169.2	EUR	On Hold	Provide the technical specifications for 12KV switchgear equipment. Also, why are 10 spares of the equipment required? Provide end use/end user information.
930504	Italy	FIRE FIGHTING EQUIPMENT	900000	EUR	On Hold	WMD dual-use concern related to S/2001/560, Page 24, Paragraph 7.2 -rapid response, all terrain fire-fighting vehicle (item #1). provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings,
930505	Italy	WASTE WATER TREATMENT UNIT W/SPARE S	8299500	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #4, #5, #7, #10, #11, #13, #14, #16, #17, #
930508	Germany	NITROGEN PLANT W/ACCESSORIES	142560	EUR	On Hold	US: Provide specifications for compressors including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (item #2). Provide specifications for all

930513	Italy	MODEL PROGRAMMABLE LOGIC CONTROL	145568.3	EUR	On Hold	US: Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross sectional drawings (item #2-2). Provide specifications for all val
930519	France	INSPECTION & LABORATORY EQUIPMENT	186254	EUR	On Hold	US: Pending further technical review. Pending technical expert's consideration.
930523	Russian Federation	TECHNICAL ASSISTANCE	258945.6	EUR	On Hold	Pending further consideration
930524	India	SPARES FOR INSTRUMENTS	50184.27	EUR	On Hold	Provide specifications for all solenoid valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time and drawings (item #2 on purchase order
930529	Italy	PILOT PLANT	199641	EUR	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat. Provide technical specifications for pilot plant modules including function, dimensions, material composition of major components, pictures of components, and technical drawings (items #1 and
930534	France	REPLACEMENT OF DAMAGED PUMPS WITH SPARES	161962	EUR	On Hold	Pending further technical review.

930536	Switzerland	LORRIES; TRUCK TRACTO RS; SPARE PARTS	2202860	EUR	On Hold	Trucks are acceptable. Concern is related to some spare parts. provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, minimum internal diameter, maximum pressure, actuator
930537	France	INSPECTI ON & LABORAT ORY EQUIPME NT	1320633	EUR	On Hold	Pending further technical review.
930550	India	DRILLING MACHINE	23300	EUR	On Hold	Provide the specifications for the radial drilling machine and its control mechanism to include number of rotary axes, positioning accuracies, and specifications for any computer or numerical control. Itemize the contents for all toolboxes.
930551	Jordan	MOLECU LAR SIEVE	354314.4	EUR	On Hold	Confirm: the number of barrels is not consistent with the weights of material provided. Are 14 or 148 barrels for one item or 520 vs. 526 barrels for the other item being supplied?
930558	France	OIL PRODUC TS TESTING APPARAT US W/ACC & SPARES	472274	EUR	On Hold	Please provide specifications for circulating pump including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (item #25). Provide function of the
930559	Italy	PUMPS AND SPARE PARTS	75619.5	EUR	On Hold	Provide specifications for all pumps including dimensions, weight type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #1, #7, #13 and #19). Provide specifications

930566	Jordan	ELECTRICAL MATERIAL AND EQUIPMENT FOR GENERAL MAIN	215306	EUR	On Hold	Provide specifications for all resolvers including manufacturer's data sheets, angular resolution, angular accuracy, weight, and photographs (items #001, #002.1, #002.6, #002.8, and #002.11).
930570	Germany	CARGO TRUCK WITH CRANE	2020220	EUR	On Hold	Trucks are acceptable. Concern is related to some spare parts and accessories. Provide specifications for "immobilizer (transponder)" including manufacturer's data sheet, a description of the purpose and use, frequency of operation, transmission power, es
930571	Germany	TRUCK TRACTOR W/ SPARES	434031.4	EUR	On Hold	Truck tractors are acceptable. Concern is related to some spare parts and accessories. Provide specifications for "immobilizer (transponder)" including manufacturer's data sheet, a description of the purpose and use, frequency of operation, transmission p
930572	Germany	MOBILE WORKSHOP WITH SPARES.	1360635	EUR	On Hold	US: The U.S. would have no objection if items #4, #8, and #23 are removed and the welder is DC arc with no inert gas accessories.
930576	Russian Federation	TRACTOR WITH SEMITRAILER AND SPARE PARTS	656095	EUR	On Hold	Goods are Dual-use military heavy lift -equipment- 70-tonne low-lift trailer, 3.2- meters wide.
930579	Germany	INSPECTION TESTING EQUIPMENT	55699.6	EUR	On Hold	US: Provide a detailed technical description/specification for the cleaner, penetrant and developer and pending further technical review. UK: Our experts have CW concerns with the item 7 (leakage testing unit kowovac VSP 2TS vacuum weld tester) in this c

930580	Germany	MOBIL ELECTRI C TEST VAN	200852.3	EUR	On Hold	Provide specifications for the frequency generator including manufacturer's data sheet, operational frequency range, and photographs (item #7). Provide specifications for the "lining of inside of vehicle" including a description of the purpose and use (it
930582	Brazil	LOW LOADER/ PARTS	87120	EUR	On Hold	Goods are Dual use, military goods, related to S/1995/208, page 45, para 2.6.2
930584	Egypt	CONSUM ABLE	897843.7	EUR	On Hold	Provide specifications for the arc welding holder (item #4), electrode drying oven (item #5.1), "fitter, welder's head" (item #6.2), and pressure temperature recorder (item #20) including manufacturer's data sheets, a description of the purpose and use, t
930585	Jordan	INSTRUM ENTS	843246.8	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (item #51). Provide the dimensions
930587	Spain	FIELD INSTRUM ENT FOR DEGASSI NG STATION W/ SPARES	12422.85	EUR	On Hold	Provide specifications for valves and regulators including dimensions, weight, type, and material composition for all components and linings, flow rate, minimum internal diameter, maximum pressure, actuator response time and cross-sectional drawings (items
930589	Germany	INSPECTI ON & LABORAT ORY EQUIPME NT	110073	EUR	On Hold	Provide a detailed technical description of the laboratory oven.

930590	Belgium	SPARES FOR BULLDOZER	862020.9	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross sectional drawings (list 1: items #142, #166, #249 and #149, list 2:
930593	Russian Federation	SPARE PARTS FOR PUMPS	76725	EUR	On Hold	Provide specifications for pump type UH 3000/197 for which spare parts are destined including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings. Pr
930604	India	GENERAL & CONSUMER MATERIALS	138248	EUR	On Hold	Provide specifications for the immersions heaters including material composition, a description of the purpose and use, manufacturer's data sheets, and photographs (item #1).
930610	France	EQUIPMENT FOR GENERATORS; UNITS AND SPARES FOR CON	97468.71	EUR	On Hold	Provide specifications for the seismic velocity sensor including dimensions, weight, resolution, sensitivity, accuracy, threshold, and linearity (list 1: item #2). Provide specifications for all photomultiplier tubes including photocathode area, anode ris
930612	Slovakia	EQUIPMENT FOR WATER INJECTION & SPARES	124433	EUR	On Hold	US: Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #1 and #24). Provide all requested allo

930620	Tunisia	SPARE PARTS FOR GAS TURBINE S	2269817	EUR	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat. Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator
930621	Switzerland	TRUCK TRACTORS/TRAILERS	1418120	EUR	On Hold	US: Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #4 and #8). Provide specifications for
930624	Germany	LAB EQUIPMENT & SPARE PARTS	442379.8	EUR	On Hold	US: WMD dual-use item; concern related to S/2001/560, Page 22, Paragraph 3.1 - Julabo #F34-E water bath with heating circulators (Section 1, item #7; Section 2, items #1, #2, #3, and #7); S/2001/560, Page 22, Paragraph 3.3- orbital shaker (Section 1, item
930640	Jordan	CATALYSTS	7061952	GBP	On Hold	US: Provide technical specifications for TK-10 and TK-711 catalysts including pore size, molecular weight exclusion, specific functionality affinities, amount of crystalline zeolite and amorphous platform characteristics, complete elemental analysis, and
930641	France	MOBILE WELDING MACHINE	91092.67	EUR	On Hold	Provide specifications for the welders including manufacturer's data sheets, type (e.g. DC arc, TIG, MIG, etc.), and any provisions or options for providing gas to the welding head and welding machine.

930644	Oman	EXCAVATORS & SPARE PARTS	219200	EUR	On Hold	US: Excavators are acceptable. Concern is related to some spare parts. Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, minimum internal diameter, maximum pressure, a
830003	Italy	CHEMICALS FOR WATER TREATMENT	542265.2	EUR	On Hold	WDM dual use - item 3 is 5% diethylene glycol that is a precursor to DEGDN at tab 10, p39, para 2.2.4.5.4.4), gh.
830058	Jordan	CHEMICALS AND ADDITIVES	322500	EUR	On Hold	Provide manufacturer's data sheets, an itemized list of components, and technical specifications for all temporarily imported equipment (items #4 through #7).
830073	Russian Federation	METAL SHEETS	1005000	EUR	On Hold	Provide material composition of aluminum and steel used in the corrugated sheets (items #1 and #2). Provide all requested alloy material compositions as both an ASTM or DIN standard alloy and as a percentage composition by weight for each alloy component.
830074	Yugoslavia	TRUCK TRACTOR-SEMI-TRAILER/ SPARES	710839	EUR	On Hold	US: Please provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #88, #118, #173

830087	Jordan	REVAMPING AND UPGRADING OF CONTROL SYSTEM	417433.8	EUR	On Hold	US: Provide previously requested specifications for all valves to be provided with the contract including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator respo
830133	Turkey	CONTROL VALVE SYSTEM WITH SPARES	219327	EUR	On Hold	US: Please provide technical specifications for valves and controllers. Please provide specifications for the valve including material composition for all components and linings (item #2). Please provide all requests for alloy material composition as bo
830134	Turkey	TRANSFORMERS	23666	EUR	On Hold	US: Please provide specifications for the silica gel air dehydrator including manufacturer's data sheets, material composition for all components and linings, dimensions, flow rate, inlet/outlet pressures, inlet and outlet humidity and temperature, and
830135	Turkey	INSTRUMENTATION FOR IRAQI TURKEY PIPE LINE	177270	EUR	On Hold	US: Provide technical specifications for Items 27, 31 - 36. Identify which pressure gauges are actually ordered by model number and confirm that the items 01.18 options EO7 and E12, Monel pressure gauges are not included in the actual contract; Provide sp
830136	Turkey	SPARES FOR EXISTING ELECTRICAL EQUIPMENT	608325.7	EUR	On Hold	US: Pending further review. OIP, please provide clarification on which goods are being sought for approval.
830137	Turkey	EMERGENCY FLOODLIGHTING SYSTEM	128200	EUR	On Hold	US: Pending further review. OIP, please provide clarification on which goods are being sought for approval.

830165	Turkey	RETROFIT OF THE CONTROL SYSTEM AT PUMPING STATION	84368	EUR	On Hold	US: Please provide technical specifications of Item 2, and VE3004 M5 Plus Controller.
830174	Jordan	CHEMICAL AND ADDITIVES	558000	EUR	On Hold	US: provide material composition (by IUPAC designation) for each component of Paranox 2281 (item #1); (WMD dual-use concern related to S/1995/208, Page 38, Paragraph 2.2.4.5.3.).
830175	Netherlands	INSTRUMENT AIR & UTILITY AIR PACKAGING	297187	EUR	On Hold	WMD dual-use concern related to S/1995/208, Page 20, Paragraph 2.3 - HEPA filtration system with spare filters; provide the material composition for all components of the compressors in contact with the gas compressed including the cylinders rings valves
830180	France	COMPRESSED AIR BREATHING APPARATUS WITH SPARES FOR	631400	FRF	On Hold	US: Provide complete technical parameter and data sheets on these respirators to include the environments in which used, any filter material, and specifications on leak limit in parts per million : (PPM); Based on the laboratory certification on these mas
830205	Romania	SPARE PARTS	547446	GBP	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat. Provide specifications for all valves, distributors and block valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, mini

830225	Netherlands	CHEMICALS	1496000	EUR	On Hold	WMD dual-use related to S/1995/208, Page 3, Paragraph 1.2; Page 4, Paragraph 1.7; Page 5, Paragraph 1.43, Paragraph 1.47; and Page 6, Paragraph 1.49: diethanolamine (item #1).
830249	Russian Federation	TRUCK WITH REFRIGERATED VAN	284156	EUR	On Hold	WMD dual-use item: concern related to S/1995/208, Page 14, paragraph 1.3 -small refrigerated trucks.
830263	Jordan	SPARE PARTS	368367	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressure, rotation speed and drawings (item #48). Provide specifications for all valves including dimensions
830266	Turkey	WELDING MACHINE	515532	EUR	On Hold	Provide specifications for all automatic welding machines including minimum and maximum work piece diameters, thickness and lengths, photographs, drawings, manufacturer's data sheets and a description of the requirement for these automated machines (items
830288	UAE	SPARE PARTS	196359.6	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressure, rotation speed and drawings (items: Tadano 1st list #20, #22, #79, Tadano 2nd list #14 and #69)
830289	UAE	THEODOLITE INSTRUMENT	282463.5	EUR	On Hold	WMD dual-use item: concern relates to S/2001/560, Page 42, Paragraph 8.3.1; Provide the previously requested explanation of the requirement for such precise instruments for oil field surveying.

830290	Romania	DRILLING & COMPLETION OF PRODUCER AND WATER INJECT	13251379	EUR	On Hold	Goods on 1051 list as indicated by Sec't and pending further technical review
830293	France	CHEMICALS FOR COOLING TOWER, BOILER & PROCESS UNIT	235620	EUR	On Hold	Provide elemental material composition of the CR 4-8 catalyst.
830296	France	PLANT SURVEY EQUIPMENT	108344	FRF	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat.
830297	France	PLANT SURVEY EQUIPMENT AND ACCESSORIES	614862	FRF	On Hold	Provide previously requested specification and a legible copy for the Venus-book ultrasonic velocity gauge equipment (item #16). Provide the previously requested full description of the bacterial culture media (item #17). Provide radioactive source inform
830305	Germany	INSPECTION TESTING EQUIPMENT	73642	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (spare parts, item #2). Provide th
830315	China	SERVICE CONTRACT	7872100	EUR	On Hold	Goods are on the 1051 list item: S/2001/560, Annex 3, Page 80, Paragraph 78.1 - Neutron source (items #50 and #69). Provide previously requested specifications for the spectral analyzer photomultiplier tubes including photocathode area, anode pulse rise

830319	Cyprus	CONTROL & MEASURING INSTRUMENT.	51812	EUR	On Hold	US: Pending further technical review
830327	Hungary	PERFORMANCE MATERIALS	158778.4	EUR	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat; Provide specific chemical and material composition and photographs for detonating cord and fuses (items #1, #2 and #3). UK: Confirmation of monitoring required.
830332	Austria	QUALITY CONTROL EQUIPMENT	113476	EUR	On Hold	US: Provide previously requested material composition for all components and linings for all pumps (items #6); Provide all requests for alloy material composition as both an ASTM or DIN standard alloy and as a percentage composition by weight for each al
830337	UAE	SPARE PARTS AND ACCESSORIES	61711.85	EUR	On Hold	US: Provide clean readable copies of the technical specifications for the pumps and valves (items #12, #18, #19, and #22 through #24) and pending further technical review
830338	UAE	MATERIALS, EQUIPMENT & SPARE PARTS FOR MAINTENANCE	2043127	EUR	On Hold	Centrifugal pump spare parts: Specify the material composition for spare pump casings and impellers; Triplex pump spares: Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow r
830344	Russian Fed	FUEL TANKER TRUCK/PARTS	703212	EUR	On Hold	The U.S. would have no objection to this contract providing item #27 (nozzles) in spare parts listing is removed from the contract.

830359	Bahrain	REVERSE OSMOSIS PLANTS	99430.88	EUR	On Hold	Provide the precise material and chemical composition for all wetted surfaces for the primary filter vessels (item #4) (Concern related to S/2001/560, Page 18, Paragraph 10.4.1.5); Provide specifications for all pumps including dimensions, weight, type, m
830360	Yugoslavia	TRUCK TRACTOR W/ SPARES	2158600	EUR	On Hold	US: WMD dual-use item: concern related to S/1995/208, Page 45, Paragraph 2.6.2 - heavy equipment low-loader trailers (items #1, #2 and #3); Provide specifications for injection pumps including dimensions, weight, type, material composition for all compon
830382	Germany	LAB TESTING EQUIPMENT FOR OIL, GAS & WATER WITH SP	790587	DEM	On Hold	US: Provide specifications for the condensers including material composition for all components and linings, dimensions, drawings, and surface area (items #3, #13, #16, and #18); Provide the refrigerant used for the thermostatic baths and automatic refrig
830383	Germany	LAB. INSTRUMENTS AND EQUIPMENT W/SPARE S	1269132	EUR	On Hold	US: Provide specifications for all computers and microprocessor controllers including manufacturer and model, maximum certified clock speed, certified thermal operating range, MTOPS rating, and a block diagram of any control system showing user interface
830395	Hungary	LAB TESTING EQUIPMENT FOR OIL, GAS & WATER WITH SP	75620	EUR	On Hold	US: Provide technical specifications for the oven to include cavity dimensions, volume and material composition, maximum and minimum operating pressure and details on any provisions for introducing an inert atmosphere during operation (item #5); Provide

830399	Russian Fed	TRI ETHYLEN E GLYCOL	614900	EUR	On Hold	US: WMD dual-use item: concern related to S/1995/208, Page 38, Paragraph 2.2.4.5.4.1: TEG (item #1) is a direct precursor to TEGDN.
830414	UAE	CONTRO L VALVES & SPARES	287231	GBP	On Hold	Provide the previously requested specifications and response times for the actuators and complete description for the IQ control unit; Provide specifications for the computer or microprocessor associated with the IQ electric card and controller including
830444	Italy	AIR BLOWER S W/ SPARES	472640	EUR	On Hold	Goods are on the 1051 list: S/2001/560, Page 22, Paragraph 2.4 - HEPA filtration systems (items #1, #7, and #12). Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, ma
830456	France	ANALYTI CAL INSTRUM ENTS	183066.4	EUR	On Hold	Provide technical and operating specifications for all instruments to include principle of operation, manufacturer's data sheets, and drawings/pictures (items #1 through #4 and #7); Provide specifications for all instrument and sampling filters including
830468	France	WORKSH OP MACHINE	274884	EUR	On Hold	provide specifications for all lathes and milling machines including the presence of any features allowing future upgrading to numerical control units, the presence of any position feedback units, and legible copies of the manufacturer's data sheets (item
830474	Belgium	TRACTO RS	339100	EUR	On Hold	Require detailed end-use/user information for the goods in this contract.

830475	China	ROLLERS AND SPARES	620000	EUR	On Hold	US: Provide specifications for the vertical milling machine including manufacturer's data sheets, positioning accuracy for all axes, specifications for any computer or numerical control, number and type of axes that can be coordinated, additional attachm
830500	France	LABORATORY EQUIPMENT	263779	EUR	On Hold	Provide specifications for all valves and manifolds including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (list 9.1, items #1.1
830507	Germany	MEASURING AND MAINTENANCE EQUIPMENT TOOLS	396220	EUR	On Hold	US: Provide specifications for the test pump including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (item #35); Provide additional specificat
830512	Italy	SPARE PARTS FOR WATER TREATMENT PLANTS	3600000	EUR	On Hold	US: Pending further technical review. UK: Pending consideration by experts.
830522	Canada	PUMP UNITS	888825.3	DEM	On Hold	Goods are dual use.
830528	Oman	FIRE FIGHTING AND SAFETY EQUIPMENT AND FOAM	150425	EUR	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat. Provide complete technical parameters and data sheets on these respirators to include the environments in which used, any filter material, and specifications on leak limit in parts per mill

830532	France	SPARE PARTS FOR MAINTENANCE OF EXCAVATORS	74595	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #19 and #20); . Please provi
830535	Sweden	REVAMPING AND UPGRADING OF CONTROL SYSTEM	1053896	EUR	On Hold	Goods are Dual-use item military command and control - fiberoptic cable 1000-meters length (item #4.4). Provide previously requested specifications for all software including license agreements and manufacturer's data sheets (items #4.2 and #14r). Provi
830549	Jordan	GEOCHEMICAL INSTRUMENTS	90369.3	DEM	On Hold	US: Provide specifications for items in the contract including manufacturer's data sheet, dimensions, drawings, photographs, flow rates, ranges, refrigerants, material composition of all components and linings, and capacities (items #3, #5, #6, #7, and #
830551	Romania	DRILLING RIG	6542427	EUR	On Hold	US: Provide specs for the leveling system for drilling rig to include set-up time, extension distance and maximum allowable weight (items #1 and #7); Provide specs and complete description for rathole device (item #224), Arpa type kelly spinner (item #225
830565	France	LAB TESTING EQUIPMENT FOR OIL, GAS & WATER WITH SP	504443	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #3.1, #3.2, and #3.4); Provide specificatio

830576	Germany	MOBILE WORKSH OPS W/ACCES SORIES AND SPARES	518102	EUR	On Hold	Provide specifications for the electric welding plant, measurement equipment, distance measuring wheel, refrigerator/freezer, generator, phase sequence meters, and SHAVIV trimming machine including manufacturer's data sheet and drawings; Itemize contents
830577	Romania	DRILLING AND COMPLE TION OF WELLS	16327332	EUR	On Hold	US: 1051 list items: S/2001/560, Page 22, Paragraph 2.6 - respirators (item #1803 and #1819); S/2001/560, Page 19, Paragraph 10.4.8 - chemical protection suits (item #1809); and WMD dual use related to S/1995/208, Tab 10, Page 14, Paragraph 1.3 -refrigera
830583	Turkey	MEASURI NG EQUIPME NT, ANALYZE RS AND SYSTEM FOR INS	111700	EUR	On Hold	Provide previously requested operating specifications for x-ray fluorescence unit included in analyzers to include accelerator peak electron energy, figure of merit, and peak power (items #1 and #27). Provide the previously requested chemical composition
830593	Germany	POWER GENERA TING SETS WITH SPARE PARTS	1787280	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross sectional drawings (items #17, #18, spare parts for auxiliaries: item
830610	France	GPS WITH ACCESS ORIES	103444	EUR	On Hold	US: Please provide specifications for all GPS and equivalent systems including maximum velocity/speed detectable, maximum altitude detectable, accuracy in all positional and velocity readings, and legible copies of the manufacturer's data sheets.

830617	Turkey	CRUDE OIL FLOATING ROOF TANK	2799315	EUR	On Hold	Provide an itemized list of accessories for the floating roof tanks (items #1 and #5); Provide specifications for all nozzles including material composition dimensions, maximum pressure, flow rate, droplet size distribution, and drawing (item #3); Provide
830619	France	PETROL ENGINES & SPARE PARTS	66715	EUR	On Hold	US: Provide specifications for all purifiers including pore size, maximum efficiency at 0.3 microns, flow rate, material composition, maximum pressure, and dimensions (item #5); Provide an itemized listing and technical specifications for all purifier mai
830620	UAE	SPARE PARTS FOR SCANIA LT TRUCKS	95000	EUR	On Hold	Please provide specifications for the turbocharger including dimensions, weight, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (item #11).
830624	Germany	INSPECTION EQUIPMENT	95519	USD	On Hold	US: Please provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (ENQ No.2/8, item #3.20); Please prov
830653	Russian Fe	MATERIALS, EQUIPMENT & SPARE PARTS FOR MAINTENANCE A	3407875	EUR	On Hold	Please provide material composition of all pipes (items #12, #15, #16, #29, #42, #45, and #58). Please provide specifications for nozzles including material composition, dimensions, maximum pressure, flow rate, droplet size distribution, and drawing (item

830658	France	EQUIPME NT FOR GEOLOGI CAL LABS & SPARE PARTS	20020	EUR	On Hold	Provide specifications for all condensers including dimensions, total surface area, drawings, and material composition for all components (item #1); Provide specifications for all hoses including dimensions, material composition for all components and l
830668	Turkey	TRUCK MIXERS/S PARES	655297	DEM	On Hold	UK: Require detailed end-use/user information for the goods in this contract.
830675	Switzerland	PUMPS WITH ACCESS ORIES AND SPARES	185759.2	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #1 and #2). Please provide technical specif
830677	Tunisia	SPARE PARTS FOR GAS TURBINE S	600487.8	EUR	On Hold	US: Goods are on the 1051 list as indicated by the Secretariat and WMD dual-use item: S/2001/560, Page 32, Paragraph 2.5.1 - servo valve (item #19). Provide specifications for all valves including dimensions, weight, type, material composition for all com
830680	Tunisia	SPARE PARTS FOR GAS TURBINE S	235165.4	EUR	On Hold	US : Goods are on the 1051 list as indicated by the Secretariat. Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuato

830683	Tunisia	SPARE PARTS FOR GAS TURBINE S	1557561	EUR	On Hold	Provide the specifications for the vibration detectors to include response time, detection threshold and linear error (items #28 and #95). Provide specifications for all valves including dimensions, weight, type, material composition for all components an
830694	Jordan	SPARE PARTS FOR PUMPS	1.76E+08	JPY	On Hold	Provide specifications for the pumps for which these spare parts are destined including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, and cross-sectional drawings. Provide
830699	Germany	OXYGEN GENERATOR UNIT	530576	EUR	On Hold	Provide specifications for all pumps and compressors including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #1 and #6). Provide specifi
830701	Italy	SPARE PARTS FOR INDUSTRIAL AIR CONDITIONING EQUIPM	323858	EUR	On Hold	provide specifications for the pump for which spare parts are destined including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, and cross-sectional drawings (item #1); prov
830703	Qatar	SPARE PARTS FOR TRUCK	829743.2	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (wheel loader parts: items #32). Provide specifica

830704	Qatar	SPARE PARTS FOR CATEPILLAR TOOL GUIDE	63061.9	EUR	On Hold	US: Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (item #21). Provide specificati
830710	UAE	SPARE PARTS FOR BUS MOLECU LAR SIEVE	11852522	JPY	On Hold	UK: Require detailed end-use/user information for the goods in this contract.
830713	UAE	WELL LOGGING SERVICE S	14784	DEM	On Hold	Provide elemental composition of SYLOBEAD MS 544 (item #1)
830718	Austria	LABORATORY TESTING EQUIPMENT WITH ACCESSORIES AND	2200000	EUR	On Hold	US:Provide itemization for the open hole unit (item #6), cased hole unit (item #7), and workshop (item #9). provide material composition for the radioactive storage and separate safety containers (item #10). Provide specifications for all encoders includi
830724	France	SPARE PARTS FOR HEAVY TRUCKS	532038.1	EUR	On Hold	provide specifications for all condensers including dimensions, material composition for all components and linings, drawings, and internal surface area (items #8 and #11). provide specifications for all mini-compressors including dimensions, type, weight
830737	Republic of		103974.1	EUR	On Hold	Provide specifications for hydraulic pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (item #139). Provide specifications for sole

830744	UAE	WATER TANKER TRUCK; DIESEL ENGINE; SPARE PARTS	1127720	EUR	On Hold	US: Provide specifications for pre-filters including pore size, maximum efficiency, flow rate, material composition, maximum pressure, and dimensions (spare parts list, item #36). Provide technical specifications for expansion tank including function, mat
830751	Italy	INSTRUM ENTS & OTHER DEVICES	90918.3	EUR	On Hold	Provide technical specifications for pneumatic level controller including material composition of major components, method of operation, manufacturer data sheets, dimensions and drawings (item #1). Provide specifications for the flow meters including manu
830754	Italy	CHEMICA LS FOR PROCES S UNITS	397840	EUR	On Hold	US: Provide technical specifications for all products including IUPAC and CAS nomenclature, commercial names, and chemical composition by percent composition by weight for each chemical component (items #1 through #3). UK: Our experts have CW concerns wi
830762	Lebanon	COMMUN ICATIONS RADIO RELAY LINKS	285098	EUR	On Hold	Provide detailed technical specifications and information for the items in this contract
830776	Russian Fe	TRACTO R WITH SEMITRAI LER AND SPARE PARTS	604120	EUR	On Hold	Dual military use
830785	Jordan	VIBRATIO N MONITOR ING SYSTEM	172265.3	EUR	On Hold	Provide specifications for all proximity probes including manufacturer's data sheets, principle of operation, accuracy, resolution, linearity, threshold, cross-sectional drawings, photographs, and rotation speed (items #18 through #23, #25 and #11 in "rec

830793	France	LABORATORY TESTING EQUIPMENTS & ACCESSORIES	1098599	EUR	On Hold	Provide previously requested specifications for the distillation apparatus to include material composition of all components which come in contact with the process fluid, column length and internal diameter (items #67 and #83). Provide the previously requested
830803	Malaysia	PASSENGER BOATS	5665000	EUR	On Hold	US: Provide specifications for all filters including pore size, maximum efficiency, flow rate, material composition, maximum pressure, and dimensions (items #22). Provide specifications for all pumps and compressors including dimensions, weight, type, mat
830819	Egypt	SPARES FOR BULLDOZER	310000	EUR	On Hold	Require detailed end-use/user information for the goods in this contract.
830820	Germany	TRACTOR UNIT	1270479	EUR	On Hold	The U.S. would have no objection to this contract providing items #17, #18, #24, #34, #42, #80, #84, #86, #87 and #89 are removed from the contract.
830826	Egypt	SPARE PARTS FOR CATERPILLAR ENGINES	126318.5	EUR	On Hold	Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotational speed and cross sectional drawings (items #31, #39, #48 and #63).
830838	Germany	PUMPS AND SPARE PARTS	545402	EUR	On Hold	Provide the material composition for the pumps. Also, please provide the pumping capacity of the pumps.
830841	Jordan	CATALYSTS	8048040	EUR	On Hold	Goods are WMD dual use PLATFORMING CATALYST TYPE R-132 IS DUAL-USE/WMD (MISSILE) PER S/1995/208, PAGE 34, PARA. 2.2.

1030005	Russian Fe	TRANSFORMERS	60055	EUR	On Hold	Provide specifications for all accessories including manufacturer's data sheets, a description of the function and use, technical details, and photographs.
1030008	Russian Fe	SPARE PARTS FOR FILLING PLANTS	58901.59	EUR	On Hold	Provide technical specifications, manufacturer's data sheets and diagram/photograph for pneumatic indicating controllers (items #1 and #30), Masoneilan positioner (item #31) and Masoneilan airset (item #32). Provide specifications for all valves including
1030011	Russian Fe	PNEUMATIC DIFFERENTIAL PRESSURE TRANSMITTERS	1042510	EUR	On Hold	Provide the operating pressure ranges for the various pneumatic pressure transmitters. The "goods to be shipped " lists " base models." Please be more specific and provide technical specifications. Product brochures and data sheets would be helpful
1030013	Russian Fe	CONTROL VALVES & SPARES	15778	EUR	On Hold	Provide specifications for all valves for which spare parts are being ordered including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and draw
1030017	Russian Fe	SPARE PARTS FOR HEAVY EQUIPMENT	125936	EUR	On Hold	US: Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed, and cross-sectional drawings (item #51). Provide specifications for all va

1030020	Russian Fe	TRI ETHYLEN E GLYCOL	820875	EUR	On Hold	Goods are WMD dual-use item: concern related to S/2001/560, Page 35, Paragraph 3.4.4.1 - TEG (item #1)-- starting material for synthesis of TEGDN.
1030023	Jordan	CHEMICA LS AND ADDITIVE S	2970000	EUR	On Hold	Dual military use.
1030031	Russian Fe	CONTRO L VALVES	33262	EUR	On Hold	US: The Secretariat and notification sheets indicate that the request is for control valves. However, the support documentation includes information on corrosion resistant pneumatic positioners. Are these part of the comm? What is the material compositio
1030038	Russian Fe	GENERAL MAINTEN ANCE TOOLS & TEST EQUIPME NT	141842.5	EUR	On Hold	Provide specifications for all items including manufacturer's data sheets and technical specifications for all items in contract.
1030040	Russian Fe	CRANES	1.09E+08	JPY	On Hold	US: HYDRAULIC TRUCK CRANE MODEL NK- 300E-V (X3) ARE DUAL -USE/WMD PER S/1995/208, PAGE 45, PARA. 2.6.2. Pending further review. UK: Require detailed end use/user information for the goods in this contract.
1030045	Russian Fe	MECHANI CAL EQUIPME NT W/ SPARE PARTS	413623	EUR	On Hold	Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (items #7, #8 and #10). Provide all

1030047	India	SERVICE TRUCK W/ SPARES	790783.4	EUR	On Hold	US: Fireproof forklifts are acceptable. Concern is related to some spare parts. provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal dia
1030051	Russian Fe	CHEMICALS; TRIETHYLENE GLYCOL	577500	EUR	On Hold	WMD dual-use item: concern related to S/2001/560, Page 35, Paragraph 3.4.4.1 - TEG (item # 1) is a direct precursor for TEGDN.
1030052	Russian Fe	CHEMICALS; DEMULSIFIER	2460000	EUR	On Hold	US: Provide material composition of demulsifier including IUPAC or CAS nomenclature, standard commercial designation, and as a percentage composition by weight for each component. UK: Require chemical breakdown for the "Sondem 4451" in this contract.
1030053	India	SAFETY EQUIPMENT	52068.5	EUR	On Hold	Provide legible specifications for the gas detector including manufacturer's data sheets, all gases detected, detection thresholds, and photographs (item #4)
1030054	India	EARTH MOVING MACHINERIES W/SPARES	63098.2	EUR	On Hold	UK: We require detailed end-use/user information for the goods in this contract.
1030060	Jordan	FLAT BED TRAILER	76355.4	EUR	On Hold	US: WMD dual use related to S/1995/208, - page 45, para. 2.6.2; Please provide the specification for the flatbed trailer to include manufacturer's data sheets, axle load limits, drawings with dimensions, and photographs (item #1). Please itemize all "to

1030073	Lebanon	WATER GUARD & FILTERATION UNITS	653400	EUR	On Hold	Provide specifications for the centrifugal separators including manufacturer's data sheets, cross-sectional drawings, material composition for all components and linings, rotational speed, volume, dimensions, and photographs (item #1). Provide a detailed
1030076	Russian Fe	SPARE PARTS FOR HEAVY EQUIPME NT	151483	EUR	On Hold	US: Please provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross sectional drawings (items #11, #12, #14, #17, #33, and #46
1030077	Russian Fe	GAS REGULATORS & HOSES WITH SPARE	1802939	EUR	On Hold	Provide material composition for pressure valves (items #1 and #2). Provide material composition for diaphragms (items #5, #11, and #12). Provide specifications for all valves including dimensions, weight, type, material composition for all components and
1030088	Russian Fe	CRANES & SPARE PARTS	189026.2	EUR	On Hold	US: Truck with crane is acceptable. Concern is related to some spare parts. Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed an
1030089	Russian Fe	TRACTIV E UNIT	1210000	EUR	On Hold	US: Military dual-use equipment - Low- bed heavy lift semi-trailers (50-tonnes, 3.2 meters wide) (item #1). Itemize all tool kits included with each truck and with each trailer. UK: Require detailed end-use/user information for the goods in this contract.
1030090	Russian Fe	FORKLIF T/SPARE S	275890	EUR	On Hold	Require detailed end-use/user information for the goods in this contract.

1030091	Russian Fe	FORKLIFT	254916	EUR	On Hold	Require detailed end use/user information for the goods in this contract.
1030093	Russian Fe	MAINTENANCE EQUIPMENT	111381	EUR	On Hold	Provide manufacturer's data sheets and photographs for all items in the contract (items #1 through #7). Provide technical specifications for current-to-pneumatic converter including function, dimensions, material composition of major components, operating
1030096	Russian Fe	WHEEL LOADER	382800	EUR	On Hold	US:Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and drawings (list 2: item #19). Provide spec
1030098	Russian Fe	MECHANICAL EQUIPMENT COMPLETE WITH SPARES	40176708	JPY	On Hold	Provide specifications for all valves including dimensions, weight, and cross-sectional drawings. Provide specifications for all nozzles including material composition, dimensions, maximum pressure, maximum temperature, flow rate, droplet size distributio
1030108	Russian Fe	CRANES & SPARE PARTS	3.91E+08	JPY	On Hold	US: MOBILE HYDRAULIC CRANES: MODEL NK-800 (X1), MODEL NK-500E-V (X2), NK-300E-V (X2), NK-200E-V ARE DUAL – USE/WMD PER S/1995/208, PAGE 45, PARA. .2.6.2. Provide a product data sheet and photograph of the requested equipment. Pending further review. U

1030111	Belarus	DUMP TRUCK	83270	EUR	On Hold	US: Dump trucks are acceptable. Concern is related to some spare parts. Provide specifications for "special probes" including manufacturer's data sheet, a description of the purpose and use, technical specifications, and photographs (item #34). UK: Requi
1030112	Belarus	LORRIES	602800	EUR	On Hold	US: Lorries are acceptable. Concern is related to some spare parts. Provide specifications for "special probes" including manufacturer's data sheet, a description of the purpose and use, technical specifications, and photographs (item #34). UK: Require d
1030129	India	SERVICE TRUCK W/ SPARES	710825.3	EUR	On Hold	US: Provide specifications for all pumps including dimensions, weight, type, material composition for all components and linings, flow rate, inlet/outlet pressures, rotation speed and cross-sectional drawings (items #3, #17, #20, #24, and #63). Provide sp
1030131	Russian Fe	HEAT EXCHANGER TUBES	1128819	EUR	On Hold	Provide material composition for the following alloys: ASTM A213/Gr. TP321, ASTM A213/Gr. TP347, ASTM A268/Gr. TP405. Provide explanation, definition, or meaning for Exch. 804C, Exch. 805C, Exch. 1012C, Exch. 1013C, Exch. 1014C, Exch. 1045C, Exch. 1038C,
1030137	Russian FeS	EARTH MOVING MACHINARIES W/SPARE	238382.3	EUR	On Hold	US: Excavator is acceptable. Concern is related to some spare parts. Provide specifications for all valves including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, act

1030138	Russian FeS	EARTH MOVING MACHINA RIES W/SPARE	255060.3	EUR	On Hold	Require detailed end use/user information for the goods in this contract.
1030139	Russian FeORS	EXCAVAT	692815	EUR	On Hold	Require detailed end use/user information for the goods in this contract.
1030141	Russian FeSPARES	SERVICE TRUCK W/	235730	EUR	On Hold	US: Provide specifications for Cryostar pump including manufacturer's data sheets, dimensions, weight, material composition for all components and linings, inlet/outlet pressures, and cross-sectional drawings. Provide specifications for liquid nitrogen ta
1030148	Russian FeSPARES	SERVICE TRUCK W/	198880	EUR	On Hold	US: Provide specifications for the tank including dimensions, material composition, and maximum pressure. Provide specifications for nozzles including material composition, dimensions, maximum pressure, flow rate, droplet size distribution, and drawing (
1030158	Russian FeTANKERS	VARIOUS	699661	EUR	On Hold	US: Provide specifications for the tank including dimensions, material composition, and maximum pressure. Provide all requested alloy material compositions as both an ASTM or DIN standard alloy and as a percentage composition by weight for each alloy comp
1030165	Russian FeTRUCKS	GARBAG E	195437	EUR	On Hold	Require detailed end-use/user information for the goods in this contract.
1030167	Jordan S	ADDITIVE	1980000	EUR	On Hold	Provide specifications for HiTEC 8733 including manufacturer's data sheets and chemical composition of the additive (using proper IUPAC names for constituents).

1030176	Jordan	ADDITIVES FOR GASOLINE ENGINE OILS	2640000	EUR	On Hold	Provide technical specifications for HITEC 9362 including function, material composition of major components, and technical specifications (item #1). Provide all requested non-alloy or polymer material compositions as both an IUPAC or CAS designation and
1030177	Jordan	CATALYSTS	673873	EUR	On Hold	Provide specifications for Ketjenfine 124HD and KF 124-1.5E-HD catalysts including pore size, molecular weight size exclusion, functionality affinities, complete elemental composition, number and type of acidic sites, flow rate, maximum heat of H2O adsorp
1030182	Turkey	INSTRUMENTS	124564	EUR	On Hold	Provide specifications for all valves and distributors including dimensions, weight, type, material composition for all components and linings, flow rate, maximum pressure, minimum internal diameter, actuator response time, and cross-sectional drawings (i
1030185	UAE	VIBRATION MONITORING SYSTEM	53766.9	EUR	On Hold	Item 3300 Monitoring System for Vibration monitoring is dual use/WMD (Missile) per S/1995/208, page 47 para. 2.8.1. Provide specifications for the 3300 XL proximeter including manufacturer's data sheets, cross-sectional drawings, principle of operation,
1030201	India	TOWER & REACTORS & SPARES	96250	EUR	On Hold	Provide specifications for all scallops and baskets including detailed cross-sectional drawings (including for the process equipment showing location of ordered goods), photographs, dimensions, specific intended use, flow diagrams, and function (items #6

930037	India	LPG CYLINDERS COMPLETE W/ VALVES	11059200	EUR	OIP Approval	
930038	India	LPG CYLINDERS COMPLETE W/ VALVES	11059200	EUR	OIP Approval	
930039	France	LIGHTING FITTINGS	64790	EUR	OIP Approval
